- Our Section Meetings attract some of the best civil engineers in the DC area and are an opportunity to meet potential clients, teaming partners, and staff. Attendance typically includes ~20% from federal or local government, ~20% from universities, and ~60% from industry, including many of the nation's largest firms.

- Topics planned for Section Meetings in 2019/2020 include the following. Platinum and Gold Sponsors will select the section meeting to exhibit on a first-come basis:

- UN Climate Goals
- Large Development Project
- Wastewater Treatment Project
- History & Heritage
- Transportation Project
- Structural Project
- Architectural Engineering

- The Annual Awards Banquet attendance includes many award winning leaders in the industry and is a great opportunity to engage with our region's outstanding civil engineering students.

- Our eNewsletters are issued throughout the year and are distributed to more than 8,000 local engineers.
